

## LONGBARN RESIDENTS' ASSOCIATION COMMUNITY FUN DAY

Rain didn't stop play for our 3<sup>rd</sup> annual Community Fun Day on Saturday 2 June.

Brilliantly organised by Pauline Buonanducci & our LRA Social Committee .....

..... supported by our amazing band of volunteers who give so freely of their time for the benefit of our residents, hundreds of folk were entertained by an array of performers & stalls throughout the afternoon.

With an especial, "Thank You" to our Chairman Geoff Orange .....

..... who, including organising approval from Warrington Borough Council for us to hold the event in the first place; a risk assessment; & the variety of headline acts which entertained us throughout the afternoon: provides the glue which binds our Committee & band of volunteers together.

We are indebted to New Horizons School for once again allowing us onto their premises to hold the event, & for donations & support provided free of charge (on the day or throughout the year) by Andrew Pryce, Asda Birchwood, COOP Membership Community Fund, Elm Tree Financial Services, Greencore, Morrisons, Mukti's Mini Supermarket (Longbarn Shop), Noise Design Ltd, Primrose Hill Nursery (Stuart Jackson), Tesco & Warrington Charities Trust.

The event showcased some of the care available to those in our community who need it ~
