LRA SCRARECROW COMPETITION 2020

One of our Facebook Friends suggested that, due to the Coronavirus lockdown, we bring forward the 2020 Scarecrow Competition. A great idea, & we launched the competition on our LRA website & social media pages on 13 April, hoping this would encourage lots of residents and their families to get involved this year. We've chosen the theme **HEROES**, because that could range from key workers, to a parent or neighbour or sportsperson ~ maybe with a Warrington twist, even ~ just wherever your imagination & creativity takes you.

The main thing is to have some fun during these difficult & uncertain times.

Here's the rub ~ If you're taking part we need to know where you live so that we can judge your entry later in the year. But so far we've only had 8 application forms. On reflection maybe we made it too complicated? So if you want to join in the fun, & stand a chance of winning prizes which will astound & amaze you

Go to our LRA Facebook page

'Like' us

Click on Messenger

Enter your name & address

Say whether you're entering the adults or children's or both competitions

OR email me with your details to lrasecretary15@gmail.com

SIMPLES

Please display your scarecrow at the front of your home so we can see it when judging takes place, which will be on **25 May 2020**.

We hope that lots of you will join in with this 'fun for all the family' competition. And please encourage your friends and neighbours to join in ~ not all our Longbarn residents are following LRA on Facebook just yet.
