REPORTING INCIDENTS TO THE POLICE

Dialling 101 is the place to report issues that aren't emergencies. But if you are finding it takes too long to get through, there is a link on the Cheshire Police website as can be seen below, where you can report an incident (including Covid breaches), which goes through to the Police the same as if you dialled 101.

This can be used as a way of submitting intelligence. Or you can report intelligence (including drug use) via Crimestoppers. You can call Crimestoppers on 0800 555 111 or on their website & this is a completely anonymous service.
