Health & care services across the country changed from 1 July 2022, with Integrated Care Systems replacing Clinical Commissioning Groups (CCGs), tasked with improving health & care by working much closer with partners, to make the local health system work for local communities.

For Warrington, *NHS Cheshire and Merseyside* replaced the former CCG infrastructure with 9 borough 'places'. Our 'place' is '*Warrington Together.*'

We've invited Katie to come along & tell us how & why this has happened & what benefit there will be for our residents, followed by a Q&A session.

Richard Martin
General Manager

Richard is the new General Manager at Greencore & looks forward to introducing himself to our residents & affirm how Greencore wish to continue to help LRA & the residents of Longbarn, followed by a Q&A session.
