**COMMUNITY  
FUN DAY  
16 JULY ~**

**CALLING ALL  
FIRST AIDERS**

Our plans to deliver you the best Community Fun Day ever are well advanced, but we've hit a snag which threatens the whole event .....

Our regular First Aider is no longer available & it's fundamentally important that we find a replacement.

If you're a qualified First Aider & willing to help out & support your local community on 16 July (12-5pm), please contact [lrsecretary15@gmail.com](mailto:lrsecretary15@gmail.com)

For our part we'll provide all the necessary First Aid kit & of course, look after you & keep you fed & watered on the day.

Thank you.
