

LONGBARN RESIDENTS' ASSOCIATION

"Working together for our Community"

Registered Charity No. 1170309

Each year we invite residents & local businesses to sponsor them; decorate each one with the name of the sponsor; & erect them on the lamp posts in our community, with all proceeds going to The Royal British Legion.

This year we have **raised £1,310** ~ Outstanding behaviour! With huge thanks for this incredible show of generosity & community spirit.

And special thanks, & a big shout out, to **Katy & Mark Wallace**, up & down ladders the length of Harper's Road & Station Road South to erect the poppies in the first place, & pictured here taking them down, today.
