WE WILL REMEMBER THEM

The poppy is an enduring symbol of remembrance of The First World War. It was a common sight on The Western Front, & is strongly linked with Armistice Day. In modern times the poppy is now worn as a symbol both of remembrance & out of respect, for those we've loved & lost in worldwide conflict.

Folk may remember that around this time last year, LRA bought a load of super large plastic poppies (18" x 18"). We invited residents & local businesses to sponsor them; decorated each one with the name of the sponsor; & erected them on the lampposts on Harper's Road.

The sponsorship raised £710 which we donated to The Royal British Legion. A tremendous effort, & a credit to all concerned.

With Remembrance Day looming (Wednesday 11 November 2026) we're now launching the activity again. Sponsorship costs £20 per poppy & as with last year, all proceeds will be donated to The Royal British Legion.

Whether you're a resident or a local business who would care to commemorate a loved one who has lost his or her life in defence of the realm, please contact us at lrasecretary15@gmail.com with your name, address & phone number (so we may collect your sponsorship), & the name you would like to see on your poppy.
