

LONGBARN RESIDENTS' ASSOCIATION

Registered Charity No. 1170309

A BIG 'THANK YOU' TO OUR VOLUNTEERS

I know our marvellous team of volunteers shy from being named & famed, but some times you've just got to go ahead & do it

Wendy Orange & our group of volunteers keep the 42 planters around our estate topped up with compost & flowers & water them throughout the year.

Pretty much (though not exclusively) the same group of folk litter pick, too, & keep our estate clean & tidy for the benefit of us all. And,

Dave Allen, John Hill & John Melia mow the open verges on Harper's road.

It gives me great pleasure, then, to be able to share with you 2 accolades we've just received from The Royal Horticultural Society & on behalf us all, to say a massive, 'Thank you' to all those who so freely give of their time to keep Longbarn & our community a place to be proud of.

Thanks, folks
